EDUCATION

UC Berkeley Extension
Full Stack Web Development Certification

2020-2021
Berkeley, CA

City College of San Francisco
Associates for Transfer

2017-2020
San Francisco, CA

I have completed 2 years of general courses with a focus on Mathematics and Computer Science with a 3.6 GPA. I am currently transferring with an associates to the University of Minnesota to complete a Bachelors of Science in Mathematics and Computer Science.

EXPERIENCE

Baker
Kowalski's Market

2020-Present
Eagan, MN

Worked on a team of bakers to prepare a large variety of artisan bakery goods, both sweet and savory.

Key Accomplishments:

- Prioritized sales floor and production tasks on a regular basis to create a pleasant customer experience
- Collaborated with other bakers to maximize our productivity

City College of San Francisco
Mathematics Tutor

2017-2018
San Francisco, CA

Developed a successful study plan for students to cope with test anxiety. Taught students to create study tools, try new resources and improve their test scores.

Key Accomplishments:

- Discovered how to be adaptable to a person's specific needs to solve problems on a one-on-one basis
- Found original solutions for students with multiple learning styles

OIXN, LLC
Web Design & Marketing

2018-2019
San Francisco, CA

Developed business websites with SEO optimization using JavaScript, CSS and HTML.

Key Accomplishments:

- Boosted website traffic
- Enhanced customer online experience

Loved to Death/LTD
Clerk/Website Maintenance & Social Media

2016-2017
San Francisco, CA

Administered the store's website and inventory management system by directing website traffic, targeting business leads and driving the social media presence.

Key Accomplishments:

- Maintained website accuracy and product inventory
- Digital marketing manager
